Liz Kniss  
Julia Miller  
Dena Mossar  
(Vacant)

The Bay Area Air Quality Management District (the "District") is a local government agency that regulates stationary sources of air pollution such as factories, industrial sites, and gasoline stations.

**SOLANO COUNTY**

John F. Silva

Whenever we receive a permit application for a new or modified sources of toxic air contaminants located within 1,000 feet of a school site, State law requires that we notify the public. To comply with this requirement, we distribute or mail a Public Notice to the parents or guardians of students enrolled at schools located within ¼ mile of the proposed sources and all residents and businesses located within 1,000 feet of the proposed sources.

**SONOMA COUNTY**

Tim Smith  
Pamela Torliatt

You have received this Public Notice because a permit application for the above referenced sources of air pollution has been filed with the District. A description of the proposed project follows:

The San Jose Unified School District has applied for permits to operate natural-gas fired turbines that will be used to generate electricity at Willow Glen High School and Willow Glen Middle School. The turbines will also be used to heat each school's swimming pool.

William C. Norton  
EXECUTIVE OFFICER/APCO

The District has determined that the increase in health risks resulting from toxic air contaminant emissions from the proposed sources are within acceptable levels and that the project will comply with all other applicable air pollution control requirements. Accordingly, the District plans to issue a Permit to Operate for the proposed sources.

If you are interested in getting more information on the District's evaluation of this proposed project, you may request copies of the applicable staff reports by calling the District at the telephone number listed at the end of this notice. This information also can be viewed or downloaded from the District website at <http://www.baaqmd.gov/permit/pn.htm>.

#### **PUBLIC COMMENT PERIOD**

There is a 30-day period for public response to this proposal. If you wish to comment on the proposed project, you may do so in writing or by e-mail. Alternatively, you may call and leave a telephone message up to one minute in length. Please leave your name and telephone number so that a District staff member may respond to your message.

Please use the following contact information if you would like to comment on the proposed project:
